# GXT 717 Rayza RGB-Illuminated Gaming Chair

## The Chair for Better Gaming

A dedicated gaming chair is both the foundation and the highlight of your gaming setup. Enhance your gaming experience with the GXT 717 Rayza Illuminated Gaming Chair. Combining the best in style and comfort, this throne of a chair offers all the features to help you climb the ranks whilst making your setup shine.

## Light up and Colour Your Game

The Rayza is all about the colour and light experience. The chair's full RGB LED-illuminated edges will be the shining highlight of your gaming setup. With multiple settings, from solid colours to jumping RGB, breathing RGB and sound-synced light  that's directly synced to the beat of your music and other sounds. You get to customise your light experience; with the wireless remote control you can easily change the sound sensitivity, brightness, and colour settings. The light is powered via a powerbank and you can store both the powerbank and the remote control in the dedicated pockets.

## Premium Comfort for All Gamers

Of all your peripherals, your chair will see the longest hours of use. Both for occasional gaming and those marathon sessions, its ultra-comfortable and supportive design boasts a lumbar-to-neck back support of premium moulded foam and ample cushioning. All this comfort is built on a robust metal base frame.

## Set to Your Preferences

The Rayza offers plenty of adjustable features to suit your needs. Adjust the removable neck and lumbar pillows for perfect support, and get the height and angle of the armrests to match your winning position. The fully 360° rotatable seating and a 90° tiltable back rest give freedom all round, to go from focus to leisure mode. Furthermore, the Rayza features a high-quality class 4 gas lift to select the right height for any gamer.
